me: nah, about to hang out at the pool for a while
Karen: Whose internet are you using?
me: borders
Karen: OK. can you call me in a minute? I have your clean laundry, etc. and want to make arrangements for Mon morning, too?
Karen: Actually, do you want me to come pick you up at Borders when you're done? I can take you back home and bring your laundry?
me: sure
Karen: OK, when do you think you'll be done there --
me: in a few minutes
Karen: OK, want to just call me then?
Karen: On my cell?
me: ok
